THE OFFICIAL PUBLICATION OF THE BILLERICAY TOWN COUNCIL

CELEBRATION OF HM THE QUEEN'S 90TH BIRTHDAY

To celebrate The Queen's 90th Birthday, His Royal Highness The Prince of Wales invited Her Majesty The Queen to light the Principal Beacon on 21st April at Windsor Castle. This was followed by the lighting of over 1,000 beacons throughout the United Kingdom, Channel Islands, Isle of Man, UK overseas Territories and Commonwealth Countries to celebrate this landmark birthday.

Here in Billericay our beacon was lit and a plaque unveiled to commemorate this. The beacon was lit by the Citizen of the Year, Phil Norton. Attendees gave a rousing rendition of Happy Birthday and the evening was rounded off by the singing of God Save the Queen.

Cllr Jo Clark, Chairman of the Commemoration Working Party said, "It was an enormous privilege working alongside my fellow councillors to organise this amazing community event which celebrated the 90th Birthday of Her Majesty The Queen. The Town Council were delighted to participate by lighting our beacon at Sun Corner."

TOWN CLERK MEETS PRE-SCHOOL CHILDREN

On Wednesday, 3rd February, seven 3 and 4 year olds from **The Treehouse Club** went to visit Deborah Tonkiss, the Town Clerk, as part of their research on 'people around our community'. Deborah was glad to meet with the children and explain the workings of the Council.

Seven children from The Treehouse Club (Zak, Bella, William, Millie, Sophia, Rafa, Georgia) outside the offices of Billericay Town Council with staff members, Kate and Josh.

The children asked the following questions:

- Q** – What do you do in your job and what is a Town Clerk?
A – A Town Clerk looks after their local council and carries out their decisions. There are 20 councillors who look after Billericay. Things the Council do include switching on the Christmas lights, providing the hanging baskets in summer and looking after the gardens and flower beds in the High Street.
- Q** – Why did you choose to be a Town Clerk?
A – It just happened. When my children were little, I decided to work part-time for the Parish Council in my village and then when they got older I went full-time as the Town Clerk for Billericay.
- Q** – Do you sign marriage certificates?
A – No the Council doesn't have the authority to marry anyone.
- Q** – Do you speak to the mayor every week?
A – Billericay Town Council doesn't have a Mayor. We have a Chairman who wears a medal of office. However, Brentwood and Basildon have a Mayor.
- Q** – Do you have any influence in green issues and the environment?
A – We are consulted on planning issues and have some influence on how green areas and parks are managed. We want to keep Billericay nice so children can play and have a pleasant place to walk.
- Q** – How do you work within the local community?
A – We get to know and work with lots of groups in the community on various projects. It could be a regular event such as a Litter Pick or the Christmas Lights switch on or a one off such as the WW1 Exhibition.
- Q** – How old do you have to be to go on to the youth council?
A – For the Youth Council you have to be 11 years old and attending one of the Billericay senior schools.

TREE PLANTING LAKE MEADOWS

The Mayor of Basildon, Councillor Don Morris was joined by Cllr Peter Bowditch from Billericay Town Council and Jane Bennett of Bennetts Funeral Directors to plant cherry trees at Lake Meadows Park in Billericay recently.

Bennetts Funeral Directors have sponsored the Cherry Tree Project 2016 to celebrate 125 years in business by planting 125 trees in various sites in the Billericay and Brentwood areas. The planting of 25 ornamental cherry trees in

Lake Meadows Park is part of this project and will make an elegant and impressive spring display by creating an imposing new avenue of trees in this popular park. Billericay Town Council provided funding for the ground work preparation that was required prior to the planting. Town Councillor Bowditch said "The Town Council was pleased to be able to support this marvellous enhancement to the park".

JIM SHIELDS GARDEN DESIGN COMPETITION

The Town Council now own Jim Shields Garden at the northern end of the High Street and we are looking at ways of improving and enhancing the area as a focal point for those entering the High Street.

Do you have any ideas of what you would like to see there – perhaps flower beds, topiary or even a sculpture? The Town Council is keen to encourage budding garden designers or landscapers, whether individuals or a community group, to submit their designs to the Town Council.

The winning entry will receive a £100 prize and the pleasure of seeing their idea come to life. Designs to be received by Friday 2nd September 2016.

CIVIC SERVICE

On Sunday 13th March, Billericay Town Council held its Annual Civic Service at the Queens Park Community Church. The service was organised by Churches Together in Billericay (CTB) on the theme of "Never On Your Own" and attended by members of the wider community and representatives of many local groups. Cllr. Jim Devlin, Chairman of the Council, spoke about the problems of loneliness in our Community as well as highlighting good work that is currently happening. He said "I did not realise that the issue of isolation in the community was so big. We all need to try and do something to address this for the sake of the whole of Society".

There were also short talks by Edna Shavdia of Contact the Elderly, who run monthly Tea Parties for elderly people who live on their own, and Jodie Connelly of Brighter Opportunities for Supported Play (BOSP) about their work with special needs children and their parents.

The service was conducted by Rev. David Bagwell and music was supplied by the High Voltage Big Band.

If you would like to help volunteer groups in their work with people who are lonely or isolated please contact the Town Council who will try to put you in contact with a local group who need help. The Town Council can also put you in contact with groups who are able to assist.

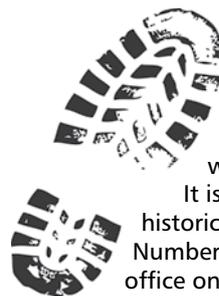

COMMONWEALTH DAY

Billericay Town Council celebrated Commonwealth Day by raising the Commonwealth flag at Sun Corner on Monday 14th March. This was Billericay's small contribution to the much larger events attended by the Queen in London. Councillors attended the flag raising and the Chairman, Cllr. Jim Devlin, read out the Commonwealth Proclamation prior to raising the flag. Afterwards he commented "It was only a small token event raising the Commonwealth flag, but it means a lot to this country to be members of the Commonwealth and it was good for Billericay to be part of the celebrations".

BILLERICAY DISTRICT RESIDENTS' ASSOCIATION TIME CAPSULE

The BDRA was founded in May 1926 and celebrates its 90th anniversary this year. A series of celebratory events and initiatives is planned.

One of the initiatives will be a time capsule, which the Cater Museum has kindly agreed to display. Our Time Capsule will not however contain objects, but thoughts. We will open the Time Capsule on our 100th Anniversary in 2026, and it will be very interesting to see how many of the hopes have been fulfilled and how few of the fears have been realised. An example could be:- hope there will be enough GPs in Billericay; fear that Elizabeth Cottage will be demolished and replaced with a multi-storey block of flats.

We therefore invite you to submit your hopes and fears for Billericay, for potential inclusion in the time capsule. The Capsule will be unveiled at a special event in the autumn to which we shall invite a selection of those who have contributed to its contents. It would be much appreciated if all responses could be received by 31st May. Please contact resident@bdra.org.

REMUS MEMORIAL HORSE SANCTUARY

DID YOU KNOW that just outside Billericay, near Buttsbury Wash, there is a horse rescue centre and animal sanctuary that is home to over 200 rescued animals including 74 horses, 9 donkeys, 1 mule, 2 cows, 54 sheep, 20 goats and 16 cats!

Formed in 1983 – It costs approx £440,000 per year to run the Sanctuary. We rely entirely on donations and money from fund raising events throughout the year.

Get involved – Why not visit the Sanctuary at one of our Open Days? Held on the first Sunday of each month between May and October we offer a variety of competitions and games to entertain the whole family, refreshments, Children’s Corner, stalls and a chance to meet all the animals up close! Our July and September dates include a Fun Dog Show. We organise afternoon teas, adult workshops and much more.

We would love to give a fun and light-hearted audio visual talk at your school, group or club.

For a gift with a difference, why not sponsor an animal for your friend or relative? Why not become a member of the Sanctuary and receive a discount on admission to Open Days and you will be supporting the animals or get involved and volunteer with us!

We work extremely hard in the local Community trying to ease the suffering of the many thousands of horses caught up in the largest ever horse welfare crisis.

VICTIM SUPPORT CHARITY

VICTIM SUPPORT is the charity for victims and witnesses of crime in England and Wales. We are independent of the police and other statutory agencies but work in partnership with them. Our caseworkers and volunteers provide emotional and practical help to anyone who needs it, regardless of the type of crime they have suffered. Our support is free, confidential, led by what the victim wants and continues for as long as it takes. We are here to listen without judging, to offer advice, advocacy and specialist services, and to help people navigate the criminal justice system. Because we understand the impact that crime has on people and their communities, we are able to work with them to help rebuild their confidence in themselves and their trust in others. We work with clients who have experienced a crime very recently but we also support those who have experienced a crime against them in the past. It does not have to have been reported to the police for Victim Support to be able to help. The website address for Victim Support is www.victimsupport.org.uk and the telephone number for the Victim Assessment Referral Centre, which is based in Ingatestone, Essex, is 0300 30 30 165.

BILLERICAY PATIENT PARTICIPATION EXHIBITION IN THE LIBRARY WEEK COMMENCING 6 JUNE 2016 AND PATIENT PARTICIPATION AND FREE WELLBEING EVENT 11 JUNE 2016

For this new event organised by **Billericay GP patient volunteers** there will be a table in the Library publicising Patient Participation Groups during the **National Patient Participation Awareness Week** commencing 6 June and ending on 11 June 2016 with a Patient Participation and Wellbeing Event in Billericay.

Patient Participation Groups are volunteers who are registered patients at their local GP Practice. There are seven GP Practices in Billericay.

These groups are now required by the NHS to ensure there is a local perspective on communicating with the General Practice. The aim is to achieve better information and service for the patients, and feedback to the medical practitioners. For example in recent years Patient Participation Groups in Billericay have organised talks at their surgeries in the evenings on a range of informative medical subjects such as diabetes, better use of medication, osteoporosis, heart attacks, stroke awareness, and skin cancers.

At the **Patient Participation and Wellbeing Event** on Saturday 11th June participants will be able to sign up for healthy activities from Tai Chi and Yoga, to relaxed running, cycling and walking groups using pathways, bridleways and local country parks, as well as music and choir singing activities. At venues in Billericay, the Canon Roche Hall behind the Roman Catholic Church on Laindon Road, the Reading Rooms on Billericay High Street, both in and outside St Mary Magdalen Church, also on the High Street there will be a range of information displays and the various wellbeing activities.

Full event details will be on the Billericay Medical Practice website from May onwards, and publicity posters and leaflets will be circulating in Billericay during the month before the June 11th event date. Follow the link below to the website and click on the Patient Group menu tab.

Enquiries about this event may also be made direct to John Wheeler tel. 01277 651968.

"WHISTLE FOR THE SOMME" 7.30am 1st JULY 2016

THE WESTERN FRONT ASSOCIATION (Essex Branch) is organising the "Whistle for the Somme" commemorations in Billericay. At 7.30am on the morning of Friday 1st July three short blasts on a whistle will be sounded at the Town War Memorial to mark the moment one hundred years ago when officers blew their whistles and led their men out of their trenches and advanced over No-Man's-Land at the opening of the Battle of the Somme. The losses that day were the worst suffered in the history of the British Army, 19,240 men were killed and 38,230 were wounded or made prisoner of war. The Battle continued for more than four months, drawing to a close on 18th November. On the 1st July 1916 three Billericay men were killed in action and fourteen more were to die before the Battle was finally called to a halt, many others fought and were wounded. An estimated 1,000,000 men from the British Empire, French and German forces were killed, wounded or missing as a result of the Battle of the Somme 1916.

You are invited to join us at the Billericay Town War Memorial from 7.20am on Friday 1st July to remember those men from our town who fought and died, together with the tens of thousands of others from both sides who were killed. Following the whistle blasts there will be a short silence to bring the brief commemoration to a close.

If you would like more information on the commemoration please contact Karen Dennis on 01277 655871 or email: billericaysgreatwar@gmail.com.
