Dear Sir

It is with great sadness that Billericay Town Council received the news of the death of Her Majesty The Queen. Our condolences and heartfelt sympathy goes to His Majesty and members of the Royal Family at their time of loss.

For so many of her subjects Her Majesty The Queen was the only Monarch they have known or remember. Throughout her long reign she demonstrated an extraordinary dedication and commitment to duty. She performed the duties required of her with grace, strength, dignity and an admirable determination which will long be remembered.

She showed an insight and understanding of the British Institution and the British People, the Commonwealth and people all over the globe. She was an exemplary role model. At no time did she ever shirk service or duty. She led the Monarchy through seventy years of change, always keeping abreast of new ideas and thoughts. She was a Queen of our time.

During this period of public grief, the citizens of Billericay have come together to mourn a national figure who has been consistent throughout our lives and for whom we have collective affection.

Please pass the condolences of Billericay Town Council and residents of Billericay to His Majesty The King. A Book of Condolence has been opened at the Chantry Way Centre and will be retained subsequently in local archives.

Yours faithfully

Cllr Jo Clark  
Chairman  
Billericay Town Council
