THE OFFICIAL PUBLICATION OF THE BILLERICAY TOWN COUNCIL

April 2014

## COMMUNITY WEEKEND – A GREAT SUCCESS

The first ever community weekend took place on 14 to 16 March and many local organisations were involved. It 'kicked' off with Emmanuel Church blessing its neighbours. Friday saw them visiting Billericay school where chocolate bars, magnetic bookmarks and a corporate "Thank You" card were delivered. Quilters Junior and Infants schools also received the bookmark, some home-made cakes and personalised thank you cards.

Saturday was the turn of the crew at the Fire Station who got a freshly cooked breakfast of bacon sandwiches, croissants and orange juice plus a home cooked Chinese dish for lunch. All who were there also received bookmarks and a corporate card. In addition the residents of Abbeyfield House enjoyed a hand massage, a manicure and chocolate.

In all 400 individuals were blessed over the two days including those who helped with the organisation.

On Saturday the Methodist Church hosted a lunch for 95 to raise funds for Anvil House, provided a trail around the town for people to learn more about their surroundings and carried out a survey by talking to people in the High Street. Receiving some 137 comments split into "What I Love About Billericay" and "What I would Love to See in Billericay" (see separate article) nearly every comment was favourable and most people like Billericay as it is – and didn't want it to change! Also on the Saturday there was a healing bus on the triangle by the War Memorials. The Street

*Cllr. John Buchanan, Chairman of Billericay Town Council; Lord Petre, The Lord Lieutenant of Essex; and Cllr. Kay Twitchen, Chairman of Essex County Council at the reception following the Civic Service.*

Pastors as well as performing their normal weekend patrols, carried out some gardening at the Abbeyfield Archer House, the Town Council carried out a litter pick when 40 residents helped clear the High Street. Litter was also cleared from Buttsbury Junior school by Rev. Walter Pidgeon and parishioners of Christ Church. Twenty people took part in the inaugural walk of the newly formed Countryside Walks (see page 2). And not to be outdone Billericay Youth Town Council held a 'Live Music' event at Hannakins Farm (see page 4).

The weekend culminated in a Civic Service at Christ Church, organised by Churches Together and Billericay Town Council. It was attended by the Lord Lieutenant of Essex, Lord Petre, Chairman of Essex County Council, Councillor Kay Twitchen, Deputy Mayor of Basildon, Councillor Danny Lawrence, members of Billericay Town Council and

residents from many of the town's local organisations. The church was well represented by the Bishop of Bradwell, the Archdeacon of Southend and representatives of Billericay and Great Burstead churches. A well packed congregation heard the newly formed Billericay Community Choir sing and were addressed by the Chairman of Billericay Town Council, Councillor John Buchanan, and the Rev. Tom Loh, the Chairperson of Churches Together.

So we can now truly say:- **Billericay really IS a Great Place to be!**

## FESTIVAL GARDENS, CROWN ROAD

WE have made steady progress in Festival Gardens in the last year. We appointed a new maintenance contractor and we also have a volunteer Friend of Festival Gardens who tends the roses and keeps an eye on the way residents use it. Also two local sponsors, Bennetts Funeral Directors and Hallmark Care

*Many thanks to Bennetts for providing the new plinth.*

Homes, have generously agreed to fund improvements replacing the directional plinth, landscaping between the top and second level in the garden and a new path at the lower level to allow disabled

access. A new sign will also be erected.

This work will be started in April and add a pleasant new aspect to the garden for all those who visit and use it for quiet moments.

# THE SURVEY DID YOU TAKE PART?

IF so you may recognise some of the comments.

"What do you Love about Billericay?" was the question asked on the Saturday of the Community weekend by volunteers and as expected a range of answers came back. Here are some of them: "It still feels like a village" "It offers a good standard of living" "A pleasant area with nice countryside nearby" "The War Memorial with its well-maintained flowers" "The good schools" "It's a town with real character" "Lake Meadows" "Lots of goods churches" "The lovely people" "Its quaintness and individuality" "A safe place for children" Oh and this one "Not much – I prefer Basildon" A lone negative comment out of the very many positive ones.

They were also asked "What would you love to see in Billericay?"

Several comments about shops , more variety, Next, KFC and McDonald's, M&S, a toy shop. "More police patrols" "A traffic free High Street" "A statue in the High Street" "Better parking" "A cinema" "An active Community Centre" "A bypass" "More live music venues" And many said "Don't change a thing It's lovely as it is"

FOR the first time ever, local authorities and civic dignitaries, community groups and charities throughout the British Isles took part in flag raising events and ceremonies of dedication to mark Commonwealth Day. This new, unique initiative, enables people in their local communities to become involved and join with others nationwide in associating themselves with widespread public expression of commitment to the Commonwealth, appreciation of the values it stands for, and the opportunities offered to its citizens around the world.

Billericay Town Council took part in Fly a Flag for Commonwealth Day on 10th March at 10am when the Town Council flag came down at the Police Station and the Commonwealth flag was raised instead for the remainder of the day. The Town Council Chairman read a specially written Commonwealth Affirmation as well as a message of support from HM The Queen.

# TOWN TRAIL AND WALKS

DON'T forget that 40 of the historic buildings in Billericay High Street and nearby form the Billericay Town Trail, and each is marked with a numbered black oval plaque. Pocket guides to the Trail are available from the Council office, and

# COUNTRYSIDE WALKS

LIVING Landscapes wanted to produce some rambling maps along country footpaths from nature reserves in Billericay. The Town Council having earlier produced walking maps around Billericay, was approached. It was suggested that together suitable maps could be produced to encourage the public to first become aware of the Nature Reserves and then be encouraged to walk from them. The Town Council agreed to this suggestion and formed a joint committee to begin with a planned walk from Norsey Wood, toward Ramsden Heath then north toward Stock before turning back to Norsey Woods. After various drafts of maps and wording to direct walkers were agreed, and certain obstacles, (such as a farmer putting a manure heap and fencing across one of the rights of way), overcome, we were ready to send the information to the printers. We were also able to arrange for the inaugural walk to take place during the Community Weekend. It was a lovely warm, sunny day. About twenty people gathered at the start of the walk, twelve finished. It was suspected that the remainder took advantage of the various watering holes indicated along the way! At a later date we might consider a ramble from Queens Park or Little Burstead. The leaflets are available from the Town Council offices, the library, Norsey Wood, Thorndon Park, Warley Place, Hanningfield Reservoir and a phone/tablet friendly version is currently under development.

ANOTHER successful litter pick was held on Saturday 15th March. Around 40 people attended, including a large contingent from the Air Cadets. This was a very good turnout considering there were many other things taking place in the town. Special thanks to our Town Clerk on her first litter pick who helped organise and run a very efficient event. The enthusiastic pickers ensured that over 40 bags of rubbish were collected. Let's hope this can be repeated at the next one on Saturday 17th May at Outwood Common. Full details will be available on our website nearer the time.

you can also download a seven page version, including one in French, from the web site.

In the summer we expect to arrange guided walks of the trail, each led by a knowledgeable local person. Look out for the banners and posters which will be appearing around the Town giving all the details.

## ALLOTMENTS FOR BILLERICAY?

IT seems we are no nearer to providing allotments for the people of Billericay. The Council's efforts to make use of land behind Quilters School have run into the buffers, because there is no way to get onto the land using a vehicle. Although the site is tantalisingly close to Fairfield Rise, to get onto it you have to cross our new Queen Elizabeth II Field (Sun Corner), which is now so well protected against development as to make the idea of a driveway into allotments completely out of the question!

Jack Petchey Foundation Awards Presentation Evening 30th January at Towngate Theatre. Cllr J Buchanan with Billericay Guiding Division Award Winners.

## LOCAL PLAN CORE STRATEGY BASILDON 2031

IT was marvellous to experience the way that the people of Billericay mobilised themselves to respond to Basildon Council's consultation on the Local Plan Core Strategy. There is nothing like the prospect of harm to our wonderful town to bring people out in numbers. The Town Council was flattered by the confidence which people placed in the importance of the Town Council's response to the consultation. We are not used to attracting such interest in our sometimes seemingly mundane processes.

Almost all the councillors were lobbied by many residents, all with a wide range of views on the subject, and every effort was made to take all these into account, and to accommodate everyone who wanted to come and see how we would deal with the matter. Our final, much revised response was submitted to Basildon Council, and they also received many individual responses. The Local Plan process is continuing and there will be opportunities to comment again at later stages. The Town Council will continue to monitor the progress, and to represent the views of Billericay residents as appropriate.

### YOUTH TOWN COUNCIL LIVE MUSIC NIGHT

THE Youth Council decided that our contribution for the Community Weekend would be to host a Live Music Night for the young people of Billericay. The performers were all from the 11-16 age group, and comprised some very talented singers and musicians. The event was held on Saturday 15th March at Hannakins Farm and we all worked extremely hard in the preceding weeks arranging performers and generating plenty of publicity to try and ensure a good attendance – over 600 flyers were handed out!

We had four performers and a DJ, plus professional sound and lighting. The Youth Council also provided refreshments for thirsty dancers. About 45 people came along and the feedback received was very positive. Everyone reported that they had really enjoyed themselves. It is hoped this could become a regular event and that the word will spread and encourage more young people to not only attend, but to come along and perform too. Who needs x-factor when the Youth Council has it's very

# WW1 CENTENARY

THIS year is the centenary year for the outbreak of the First World War. This was such a significant event and changed the history of the Western World. The Council met with a number of local groups including representatives from Billericay School, Mayflower School, Norsey Wood Society, Billericay Lions, Royal British Legion Billericay Branch, Billericay Student Voice represented by 4 pupils from Brightside Primary and Mayflower Schools, Billericay Society, Cater Museum and RAF Cadets in order to co-ordinate the various activities which are being planned. Events will be happening all around the country and will be taking place on 2nd, 3rd and 4th August in Billericay.

own Billericay's Got Talent show?

Other upcoming events this summer are our Cake Bake on 21st June which will be held in the Reading Rooms between 10am and 1pm. A lovely selection of home-made cakes will be available to purchase and all funds raised go to local charities. There is also the exciting Urban Games event on 12th July which will take place at Lake Meadows Skate Park and gives young people the chance to watch professional demos and get involved in sports such as free running, football, BMX, scooters and basketball. The full programme has still to be decided but we are hoping to make it the biggest and best one yet.

### THE BILLERICAY ARTS FESTIVAL 10TH TO 20TH JULY 2014

AFTER last year's successful Art Trail, the organisers immediately starting planning for 2014. And what plans we have! We're adding an Arts Festival to surround the Art Trail, bringing lots of entertainment – and different art forms – to the people of Billericay.

The well-established Art Trail will, as ever, exhibit local artists in venues around town, offering a chance to buy affordable art created by local artists. The Arts Festival will focus on entertainment – generally family-oriented – in venues as diverse as Lake Meadows and Norsey Woods as well as town centre locations. Attractions will include an evening of Jazz in the Park and a midday Open Air Theatre in Lake Meadows park (in partnership with the Friends of Lake Meadows), wood sculpture, hands-on raku ceramics and storytelling (including the adult-oriented Tavern-yard Tales in the Reading Rooms), plus a wide range of music and choral events at various times and venues throughout the week. A Big Picnic is planned – champagne and fancy dress optional – plus

lots of different performance artists around the High Street.

But it won't all be about watching – we want visitors to the Arts Festival to participate too. This year's Billericay Big Draw will be in Lake Meadows: everyone, including the most ham-fisted, is invited to have a go at sketching, drawing or doodling on paper, board, canvas, phone or tablet. New to our itinerary is a leisurely wander around a land-art, art-installation Sculpture Trail in our ancient woodland heritage of Norsey Wood.

There's a lot going on! The Arts Festival is organised by a small band of enthusiastic volunteers, but we always welcome help, whether hands-on or as sponsorship. For more about this – or, indeed, anything to do with the Arts Festival – please see our website and facebook pages, and if you can't find what you're looking for contact us through: [www.billericayarttrail.co.uk](http://www.billericayarttrail.co.uk) or [www.facebook.com/groups/billericayartsfestival](http://www.facebook.com/groups/billericayartsfestival), or follow us on [www.twitter.com/BillericayArts](http://www.twitter.com/BillericayArts) Brochures will be available around the town in July.

# 150TH BIRTHDAY OF THE READING ROOMS 1864-2014

ON March 7th, 8th and 9th the Billericay Reading Rooms celebrated the 150th anniversary of the original committee's decision to open the Rooms to allow the ordinary people of Billericay to have access to books and newspapers. The celebrations were opened by John Baron MP, with the Trustees dressing in Victorian costume. Four schools, Buttsbury Junior, Quilters Junior, St. John's and St. Peter's Primary produced displays of their work and, the children dressed appropriately, happily answered questions on what they had learned about Billericay 150 years ago, their visit to the Cater Museum and the models, newspaper, displays and wall-hangings they had produced for the celebrations.

The visitors were very impressed by the childrens' work, and the huge amount of knowledge they had gained from their visit to the Cater Museum. Also of great interest were the cakes and biscuits produced from original Victorian recipes for everyone to taste – and take a copy of the recipe home

with them if they wished.

Charles Phillips, the author of 'The Story of Billericay' came along, and he was able to answer many of the questions raised by both adults and children about Billericay in times gone by.

The Heritage Lottery Fund had generously provided the grant so that the Billericay Reading Rooms could celebrate the idea made by the original group of gentlemen, professional and tradesmen 150 years ago. The Rooms are one of the few buildings in Billericay that is still being used for the purpose – to educate and improve the residents of Billericay. It is often overlooked that it was not until 70 years ago that the free library opened and printed material became available to the ordinary residents of the town to allow them to learn and practise the skills necessary to educate themselves. By then the Rooms had been open to men for over 70 years.

## ROTARY CLUB SUMMERFEST

THIS year's Rotary Summerfest will take place on Sunday 13 July at Sun Corner, Billericay, between 11am and 5pm. This is a FREE day out for all the family, with FREE car parking. The event will have over 80 craft and charity stalls to visit, a beer and Pimms tent, children's rides, and the arena acts will include displays from the Chelmsford Caledonian Pipe Band, a dog display team, gym teams and musical performances from Dance Steps. In addition, there will be a Classic Car show with over 100 cars on display.

The Rotary Club of Billericay Mayflower are delighted to produce this free community event, where we will also showcase the work that Rotary does both in the local community and abroad, and we invite you all to join us on what we hope will be a sunny Sunday!

## WHO DO I CALL IF THERE IS A POWER CUT?

UK Power Networks owns and maintains electricity cables and lines across London, the South East and East of England, making sure your lights stay on. Landline users can phone 0800 783 8838 – but only from a corded phone. For mobile users\* the number is 0333202 2021.

\*calls to these numbers will cost no more than a local rate number from a mobile. If you get inclusive minutes in your mobile phone package, calls to these numbers are included.

**SMS Messages** – You can be kept updated via text messages. To register, text **POWER** and your postcode to **80876**.

**Website** – For more information or to report a power cut via the online Power Cut Map, visit;

<http://www.ukpowernetworks.co.uk/internet/en/power-cuts/>

**Vulnerable customers** – During a power cut we understand that some people may need extra support and offer priority assistance for our vulnerable customers. If we know where you are, we can help. We hold a list – called Priority Services Register – of thousands of customers who would feel particularly vulnerable during a power cut and we provide them with extra support if needed.

**Who can apply?** – Customers who are dependent on medical equipment; customers who are chronically sick or have a disability; customers who are blind, visually impaired or deaf; customers with young babies; nursing or residential homes and elderly customers.

We will consider other cases too if you think you would feel particularly vulnerable during a power cut.

## EVERY OBJECT TELLS A STORY

THE Cater Museum has a photograph of Mr. F. Vere, hairdresser, of Billericay, and also his very unusual souvenir of the Zeppelin L32. Vere began his business at what is now 28 High Street, but the First World War interrupted his career and he enlisted in the army.

On leave from the Essex Regiment in September, 1916, he was at home when the Zeppelin L32 was shot down. Like so many, he dashed to the scene. And, like so many, he wanted a souvenir. He was aware that the police and army were on hand to stop looting, but he thought that if he hid his piece of the zeppelin under his army great coat it would go unnoticed. Emboldened by that thought, he chose a really large piece of the wreckage – the door to a footlocker!

When he reached home his courage failed him. He realised the consequences, especially as he was in uniform. So he took the piece out to the garden, dug up his rhubarb, and placed the door at the bottom of the hole. The rhubarb went back on top and so it remained for the duration of the war. It wasn't until he returned at the end of hostilities that the door of the footlocker reemerged! For further details about this story and other interesting information regarding Billericay's history, please visit the Museum's website: [www.catermuseum.co.uk](http://www.catermuseum.co.uk).

What we can do:

We can't get your power back on more quickly (although we will try our hardest) but we can:

- Call you pro-actively if we expect bad weather in your area that could result in a power cut and offer useful advice on how to prepare
- Offer you a special priority phone number that you can call if you have a power cut
- Provide you with a generator where necessary or book you into a hotel
- Keep you updated during a power cut, either by sending you text messages or calling you
- With your agreement, we can ask the British Red Cross to visit your home for extra help and support

If you or someone you know, meets our criteria above and lives in London, the South East of England or the East of England then please apply by either:

- Emailing [psr@ukpowernetworks.co.uk](mailto:psr@ukpowernetworks.co.uk)
- Writing to Customer Relations team, UK Power Networks, Fore Hamlet, Ipswich, IP3 8AA
- Applying online here: [www.ukpowernetworks.co.uk/priority](http://www.ukpowernetworks.co.uk/priority)

# BUS INFORMATION SIGNS

THE TRIPS bus information signs are now operating using timetable information only. In order to display real-time information, new equipment has to be installed in each bus. Across Essex only one bus company has installed the

necessary equipment. That is Ensign Buses, who operate 7 routes in the Thurrock area.

We do not know when First Buses intend to equip their buses to work with the system.

## ESSEX SAVERS

ESSEX Savers net Credit Union has opened a "Service Point" in Billericay. This is open at Billericay Library 11am to 2pm every Tuesday.

The Credit Union is an ethical community based savings bank, where the money which is deposited is used directly to make low value short term loans to members who have been able to save a few pounds a week. The "Service Point" has been organised by Churches Together in Billericay. The short term loans are at very manageable interest rates. For example, to borrow £400 for a month, you repay £408, whereas borrow the same

amount for the same time at a typical payday lender, you would repay £523. To be eligible to borrow, you must have been saving for at least 2 months. If you have a nest egg tucked away earning next to no interest in a bank, please consider moving it to the Credit Union where it can be put to good use at least. If you are on a tight budget, why not try to save a few pounds a week, and then, when you suddenly need some funds for an emergency, you'll be able borrow a multiple of what you've saved.

## PART-NIGHT LIGHTING

MOST street lights are now being turned off from midnight to 5am. This is an environmentally sensible thing to do and it also brings savings to the county

council, which is under huge pressure to economise, so as to keep the council tax down. There are strict rules as to where exceptions can be made, and there is a page on the county council's web site where these are listed.
